Ready, Steady... STOP! What is School Readiness?
Come and inform yourselves on Wednesday evening (22nd June) at 17:30. Jane Jarvis, a renowned expert will talk about this topic.

Two Think!fest shows during Festival will be extremely valuable for those of us dealing with little people and development: "Happiness, humanity and the brain" on Thursday 7th July at 14:00; and "Development of the Human brain" on Friday 8th July at 16:00, both by Dr Pierre van der Spuy.

Lastly, wishing you all a wonderful Arts Festival!

The boys played a great game of rugby and our U13As prevailed and were able to keep the 'Currie Cup', which is a floating trophy donated by a WPPS parent, a Mr Currie, in 2005. The trophy gets presented and retained by whichever school wins any sporting or cultural competition between the 2 schools. You will see the Currie Cup is now housed in a special case which is situated in the Club House.
