- Collaborating with classroom teachers to modify and adapt teaching materials and methodologies to support remedial students within the regular classroom setting.
- Providing one-on-one or small group instruction to address specific learning gaps or difficulties.
- Monitoring and tracking students' progress regularly, adjusting teaching strategies as needed.
- Communicating effectively with parents, providing updates on students' progress and offering guidance on how to support learning at home.
- Collaborating with the school's support services team, including psychologists and special education professionals, to develop comprehensive plans for students with diverse learning needs.
- Staying updated on current trends and best practices in remedial education and implementing innovative strategies within the classroom.

Requirements:

- Bachelor's degree in Education or relevant field.
- Teaching qualification with a specialization in remedial education or learning support.
- SACE registered.
- Experience working with students who have diverse learning needs in the Foundation Phase.
- Knowledge of various learning difficulties and familiarity with appropriate remedial strategies and resources.
- Excellent communication skills, both written and verbal, with the ability to effectively collaborate with colleagues, parents, and students.
- Ability to create a supportive and inclusive learning environment.
- An understanding of the value of inclusive education.
- Strong administrative abilities.
- Excellent ability to work as part of a team.
- Be familiar with various assessment measures.
- Able to assess relevant educational test batteries, interpret the WISC / psych-ed assessments etc.
- Love of children and ability to be firm yet patient.
- A commitment to ongoing personal and professional development
- An awareness of the nature of the school and willingness to commit to its all-round ethos, co-curricular activities, and pastoral approach.
- A sound and progressive understanding of the South African curriculum and international trends in education.
